

PRAYER OF PROTECTION FROM THE CORONAVIRUS

Patriarch Daniel of Romania

O Lord our God, who are rich in mercy and who with diligent wisdom guide our lives, hear our prayer, receive our repentance for our sins, put an end to this epidemic.

You who are the physician of our souls and bodies, grant health to those who are afflicted by sickness, making them rise promptly from their bed of sorrow, so that they may glorify You, the merciful Savior.

Preserve those who are healthy from all sickness.

Preserve us, Your unworthy servants, and our parents and relatives.

Bless, strengthen, and guard, O Lord, by Your grace, all those who, with love for humankind and a spirit of sacrifice, care for the sick in their homes or in hospitals.

Remove all sickness and suffering from Your people, and teach us to appreciate life and health as gifts that come from You.

Grant us, O Lord, Your peace and fill our hearts with an unshakeable faith in Your protection, hope in Your help, and love for You and for our neighbor.

For it is Yours, O our God, to have mercy on us and to save us, and we glorify You: Father, Son, and Holy Spirit, now and ever and unto the ages of ages. Amen.
