

## ANNUNCIATION GREEK ORTHODOX CHURCH

FR. JAMES RETELAS, PRESIDING PRIEST

July 15, 2020

Saints Julitta & Kyriakos the Martyrs

Dear Fellow Parishioners,

You likely are aware that Governor Newsom has imposed closures once again. This announcement includes places of worship and specifically Sacramento County. So unfortunately, effective July 14, all divine services will be “live-streamed” only. Please be patient and prayerful as we continue to navigate this health crisis. We are monitoring this situation daily, and you will be notified as soon as we are able to reopen the doors of our church to our faithful. Until then, let us join together for our services online, and let us pray together for an end to this pandemic that has disrupted so much. The Parish Council will continue to support virtual candle orders and will be available, as is our dedicated clergy, to respond to any questions or concerns.

**God bless you and keep you safe and healthy.**

Sincerely in Christ,

Father James Retelas  
*Presiding Priest*

Michael Dariotis  
*Parish Council President*
